SR. NO.	PRODUCT DESCRIPTION
1	CARBON 3/8 RING 50 MM ID - 80MM OD
2	CARBON 3/8 RING 66 MM ID - 96MM OD
3	CARBON 3/8 RING 70 MM ID - 100 MM OD
4	CARBON 3/8 RING 84 MM ID - 114 MM OD
5	CARBON 3/8 RING 100 MM ID - 130MM OD
6	CARBON 3/8 RING 118 MM ID - 150 MM OD

Specification

- Carbon 3/8 ring is available in carbon.

Indication for use

- The Carbon 3/8 Ring is intended for use in veterinary orthopaedic procedures requiring external fixation and stabilization of fractures or corrected bone deformities in small and large animals. It provides lightweight, durable structural support as part of an external fixator frame to maintain proper alignment during healing.
